

Second Floor Plan

REVISIONS	BY

1. The contractor shall perform all work in accordance with applicable national, state and local codes.  
 2. The contractor shall verify all site conditions and dimensions before beginning construction. Any discrepancies shall be reported to Ammons & Associates for justification and/or correction before proceeding with work. Contractors shall assume responsibility for errors that are not reported.  
 3. All dimensions should be read or calculated and never scaled.  
 4. All wood, concrete and steel structural members shall be of proper grade and quality and meet all national, state and local building codes.  
 5. The contractor shall be responsible for all structural members and conditions to meet all local codes and insure a quality and safe structure.
